

Stormin Norman

To the tune: Lady Madonna by The Beatles

Performed by : the Three Sphincters May 25,2016

Guitar INTRO:

Stormin' Norman

The best we've ever had

He's not that pretty

But he sure can add!

Stormin' Norman

No one can compare

When he started out doing this

He still had hair.

CHORUS:

Sunday night our games have just ended

By Monday morning scoring's all done

Tuesday's games have all been amended

And now the Ryder cup has begun

Stormin Norman, you are the best

wonder how you manage to get some rest?

Guitar part

CHORUS:

Sandbaggen scores never ending..

Ryder teams both on the run

By Wednesday night Norman needs tending

But we're all out of rum

Stormin Norman lying on the bed..

Dreaming bout the figures dancing in his head.

Stormin' Norman

The best we've ever had

He's not that pretty

But he can add
